

У ЗООПАРКУ IN THE ZOO

Де тут правда, а де брехня? Познач хрестиком (x) речення, що не відповідають дійсності, а пташечкою (v) – правдиві судження.

What is true and what is false? Put a cross (x) next to the false sentence and a tick (v) next to the right sentence.

Example: Cats drink milk.

1

Cats drink milk.

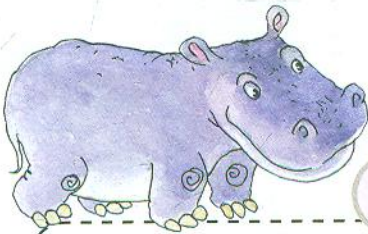

2

Polar bears eat ice-cream.

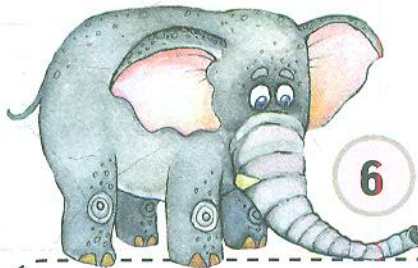

3

Raccoons live in the Arctic.

4

Hippos live in Africa.

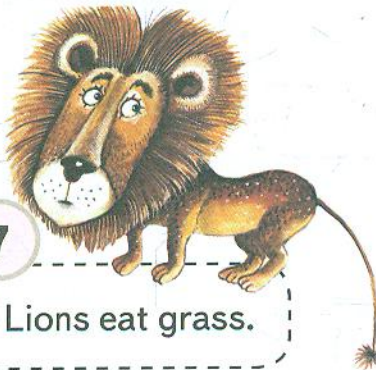

6

Elephants have big ears.

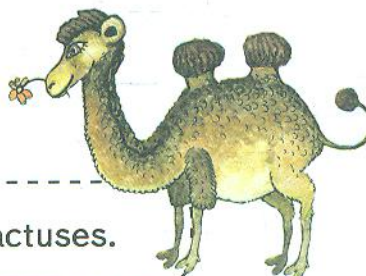

5

Bears eat fish.

7

Lions eat grass.

8

Camels eat cactuses.

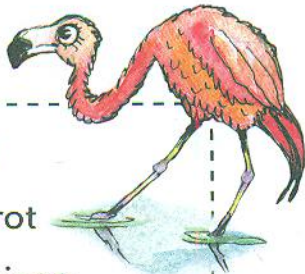

9

Parrots can't fly.

У кожній групі слів обери те, що відповідає малюнку поруч. Познач його пташечкою.

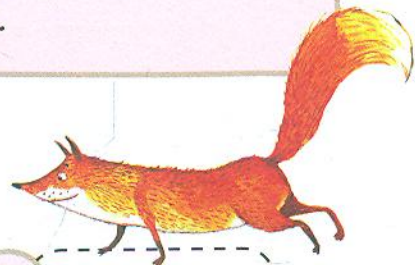

In every group of words choose the one that matches the picture. Put a tick next to it.
