

STORY 1

THE DOG AT THE WELL

1. Listen and read.

A mother dog and her pups lived on a farm. On the farm, there was a **well**. The mother dog always told her pups never to go near or play around it.

One day, one of the pups wanted to know why they weren't **allowed** to go near the well. So, he **decided to explore** it.

He went down to the well and climbed up the wall to **peek** inside. In the well, he saw his **reflection** in the water but thought it was another dog. The little pup got angry when his reflection was imitating him, so he decided to **fight** with it.

The little pup jumped into the well, only to find there was no dog there. He began to **bark** and bark until the farmer came to **rescue** him.

The pup learned his lesson that day and never went back to the well again.
