## Reading

### 6 Read Danny's letter to an old school friend and complete with sentences from 'a' to 'f'.

- a** I haven't started my new school yet.
- b** I've been exploring the town.
- c** Our new house still feels a bit strange, but I think it'll be ok.
- d** Thanks for the good luck card.

- e What are your plans for the holidays?
- f What have you all been doing?

Dear everyone,

- 1 ☐ It was very kind of you to send it. How are you all? I hope you're all ok. We haven't been here very long and I still miss you all.
- 2 ☐ It's bigger than our old one. We've been trying to choose our bedrooms, but we haven't decided yet. I'd like the one at the back because it's got a good view.
- 3 ☐ It's not very big, but there's a big swimming pool and a great park. There's a good cinema, too. Dad and I saw a film there last night.
- 4 ☐ I'm a bit nervous of course, but I've already met a few children who go there, so I won't be completely by myself. I hope the teachers are nice.
- 5 ☐ Has anything interesting happened since I left? Have the sports teams won any matches? I want to know all the news.
- 6 ☐ You can all come and stay here if you like!

Please write soon.

Love,

Danny.
